

Protect employees and customers from COVID-19 and other virus exposures by providing a barrier for those who work with the public or near others. Our countertop safety barriers provide physical separation to help maintain social distance and offer a durable, clear view and flexible design for a variety of uses.

## Protect Against the Spread of Germs

- Provides added protection from respiratory droplets for both the customer and employee
- Designs include versions with and without a pass-through window
- Freestanding, easy to move and reposition in a variety of countertop settings
- Available in acrylic and polycarbonate material for clarity and durability
- Stock items available or request a quote for custom designs
