

To Our Valued Customers,

We are excited to announce that as of February 1, 2021, Twist and Business Essentials have teamed up to become one of the largest distributors of office products, janitorial products, and office furniture in the Greater Twin Cities area. We will conduct business under the Business Essentials name. With combined operations, we will be well positioned to provide tremendous savings and selection to our valued customers. For many years, both companies have provided exceptional customer service and competitive prices. We will build on these services and benefits well into the future.

We are thrilled to welcome Chip and Wendy Pike to Business Essentials. We trust that the experienced teams of Business Essentials and Twist will continue to deliver exceptional service and support to you, our valued customer, throughout this transition.

Starting today, you can place orders on www.orderbe.com with the great pricing, billing terms, and next day delivery that you have enjoyed with Twist Office Partners.

Thank you,

Pete Soderling
President
